

## Gurskøy Lifting Slings

Gurskøy lifting slings are specially designed to suit our gangways and ensures safe handling of the equipment. Each lifting sling has dual straps and a round fibre sling at the top for attachment to the crane hook. Certified shackles are used to connect the strap to the gangway's lifting eye. You need two lifting slings and 4 shackles for each gangway.

2.5 m for 3 - 6 m gangways  
3.5 m for 7 - 8 m gangways  
4.5 m for 9 - 10 m gangways  
5.5 m for 11 - 12 m gangways

Material: Polyester.

A 1.5 t. shackle is suitable for all lifting slings.
